

32 is a Bushel

Sarah Fielke class requirements

Learn to make improv apples and a basket to put them in! No rules, no measurements - just relax, have fun and play!

This list is the material requirements for the whole quilt, which finishes at approximately 58" x 75". Your quilt will not end up exactly the same size as Sarah's due to it's improvisational nature. We will get quite a few apples made in class so bring plenty of apple fabric options.

Supply List:

This supply list is the requirements for the whole quilt.

* Scraps of assorted red print squares to total about 3/4yd (apples). You will need squares of fabric up to about 5in, smallest being about 3". The squares do NOT need to be accurate or uniform.

* Scraps of assorted green print fabrics or yardage to total about 3/8yd (leaves)

* Assorted black or grey on white print fabrics to total about 2 3/4 yd (backgrounds). I worked with 30cm (3/8yd) cuts of 10 different fabrics; this was more than is required for this project, but I found it helpful to have options. Don't under estimate how much background you will need for this class -you may not need all 3 yards but you will need a generous amount of fabric, as improv takes quite a lot more that you would expect.

* 50cm (5/8yd) brown print fabric (basket)

*I recommend you bring your own rotary, ruler and mat to this class as there is a lot of trimming.

* All students must OWN their own copy of the pattern for class.

Before class I recommend you cut out red fabric into rough squares as listed above. You will not need to cut any other fabric.

A pattern is required for this class at \$15. You may buy it prior to class at my website under the tab "Sisters", or you may bring cash to be handed to me at class commencement. Please note that if you purchase the pattern prior to class you will not receive it until you are physically handed it in class. The website should not charge you postage, but if it does please say "SISTERS" in the comments box at checkout and I will refund it for you.

If you have any questions or concerns prior to class, feel free to email me at sarah@sarahfielke.com. Please note that I live in Australia so my response will likely not be immediate as I am on the other side of the world! :)
