

## Future Flower Garden with Tula Pink

Advanced Beginner/Intermediate

85" x 95"

Future Flower Garden takes the traditional "Grandmother's Flower Garden" and turns it into a futuristic three dimensional affair! Using diamonds and Triangles we will build tumbling blocks to create the iconic hexagon flower in a new and fun way. There are no "y" seams in this quilt top! If nothing else this will be an excellent primer on sewing with triangles.

**FABRICS:** note- The following yardage requirements are for the WHOLE quilt top, we will not use all of it during the class time.

1/2 yard each of 8 light value prints

1/2 yard each of 8 medium value prints

1/2 yard each of 8 dark value prints

2 yards - background fabric

1/2 yard - top and bottom finishing triangles

**BOOK:** Quilt with Tula and Angela

### **SEWING SUPPLIES:**

Quilters ruler

60 degree equilateral triangle ruler

Rotary Cutter

Cutting Mat

fabric scissors

Coordinating thread

sewing machine

Batting (for a design wall to layout the blocks)
