

Cut Flowers

58" x 73"

with Jackie Erickson

Bring a little Spring inside with this bright cheery snowball quilt! The quilt uses 5" charm squares and a few complementary solids to create a mind blowing contemporary, yet traditional quilt. The snowball block is so easy and fun to make. I have a few tricks up my sleeve to make the blocks sew together smoothly. Pattern will be provided in class

I would like to thank Marilyn Cowan & Joyce Weeks for allowing us to use their pattern without charge. "Cut Flowers" was originally published in Quilt Sampler magazine Fall/Winter issue 2011.
